PROFILE

Tech-savvy and quick to adapt, I bring a mix of hands-on technical support experience and a growing toolkit in web development, AI tools, and cloud platforms. Passionate about solving real-world problems, learning fast, and adding value from day one. Driven to grow with a team that values innovation, reliability, and results.

WORK EXPERIENCE

- Concentrix, Gurgaon** 2024 - 2025
Technical Advisor
 - Delivered technical support and troubleshooting for client systems, maintaining high first-call resolution and customer satisfaction.
 - Diagnosed and resolved hardware/software issues while managing tickets, SLAs, and client communication.
 - Enhanced problem-solving skills and adaptability through hands-on experience with diverse technologies.
- Tourism Project, Himachal Pradesh** AUG 2025
Freelance Graphic Designer
 - Created social media posts, reels, and brochure-style layouts for a tourism & adventure brand, showcasing Himachal tour packages with nature-inspired themes.
 - Enhanced visual storytelling and design quality by incorporating client feedback, focusing on clean layouts and engaging content tailored for travel audiences.
- Aashbhi Consultancy, Haldwani (Uttarakhand)** OCT 2025
Creative Digital Marketing & Brand Designer
 - Led end-to-end creative development for clients, including brand logo design, visual identity creation, and high-impact mockups that strengthened brand recognition and market positioning.
 - Designed modern, user-friendly website layouts and managed digital marketing activities such as Meta Ads strategy and Social Media Management, resulting in improved online presence, engagement, and lead generation for clients.

PROJECTS

- AI Chat Assistant**
 - Users can input subjects, deadlines, and hours available; the app auto-creates an optimized plan.
- Personal Portfolio Website**
 - Developed a responsive portfolio using React.js, Focused on clean UI/UX.
- AI-Powered Study Planner**
 - Built a smart planner that generates personalized study schedules using AI APIs, users can input subjects, deadlines, and hours available
