About Me

Brand & Digital Designer with hands-on experience in creating visual identities, digital creatives, and social media designs for brands and institutions. Strong understanding of layout, color, and visual storytelling, with a practical, execution-driven approach. Passionate about building consistent brand presence through clean design systems and engaging visuals.

WORK EXPERIENCE

2024 - 2025

Concentrix, Gurgaon

Technical Advisor

- Communicated technical solutions clearly to non-technical users, strengthening problem-solving and client-handling skills.
- Delivered technical support and troubleshooting for client systems, maintaining high first-call resolution and customer satisfaction.
- Assisted non-technical users with clear, structured solutions, strengthening communication and problem solving skills.

2025

Tourism Project, Himachal Pradesh

Freelance Graphic Designer

- Designed social media creatives, reels, and brochure-style layouts for tourism and adventure brands promoting Himachal tour packages.
- Developed visually engaging designs using nature-inspired themes to enhance brand appeal and audience engagement.

OCT 2025 - present

Aashbhi Consultancy, Haldwani (Uttarakhand)

Creative Digital Marketing & Brand Designer

- Led creative design initiatives for clients, including logo design, brand identity development, and high-impact visual mockups.
- Supported digital marketing efforts through social media creatives and Meta Ads execution, contributing to improved online presence and client engagement.
